

ONE EIGHTY COMMUNICATIONS AMENDMENTS TO ORIGINAL LANGUAGE OF SB 3

Language amendment-

Replace Qwest proposed New Section 1. 69-3-305(5)(a)(i) "Unless otherwise established by the Commission in a rule making, a provider of regulated telecommunications service may offer, for a maximum of 90 days, rebates, price reductions, or waiver of charges in conjunction with promotions, market trials, or other sales-related activities that are common business practices. Promotional pricing for services other than basic local exchange access to end users does not require advance approval of the commission."

Replace Qwest proposed New Section 3. 69-3-803 (10)(a) and (b) by deleting suggested language of Qwest:

"(10)(a) 'Regulated telecommunications service' means a residential or business end user's access line that permits two-way switched, voice-graded access and transport of communications originating and terminating in this state and nonvoice-grade access and transport if intended to be converted to or from voice-grade access and transport.
(b) Except as provided in 69-3-801, the term does not include vertical service the provision of terminal equipment used to originate or terminate the regulated service, private telecommunications service, one-way transmission of television signals, cellular communication, or provision of radio paging or mobile radio services."
